5000 Letters to the Governor in Support of 566!

Everyone wants to know: What can we do to help get the Governor to sign AB 566?

Today we convened a meeting of mobilehome owner groups and posed the question: How many cards and letters can we get to the Governor in the next two weeks? The answer: At least 5000!

It is an ambitious goal, but we know it is one that we can meet. There are two steps to meeting this goal.

First, we know some of you are ready to send off letters to the Governor today, and we hope you will do so. Your personal letter to the Governor will help move us toward this goal of 5000 cards and letters, and get his immediate attention on this important issue.

Below is a sample letter. You can use it as is, or you can personalize it further. The most important thing is to get it to the Governor as quickly as possible. We suggest faxing it if you have access to a fax machine. (His fax number is (916) 558-3160.) Otherwise, sending it by US Mail is also effective.

Second, after you've sent your letter, can you help us get 4999 more? In

the next few days, GSMOL--along with other groups--will be distributing thousands of postcards to homeowners in parks throughout the state, to get them signed by homeowners and sent off to the Governor. If you can help us distribute cards in your park or elsewhere, let us know and we will arrange to get you as many cards you think you can use.

[Today's Date]

Governor Arnold Schwarzenegger
State Capitol Building
Sacramento, CA 95814

Dear Governor Schwarzenegger:

I am writing to urge you to sign AB 566 (Nava), which would help protect mobilehome owners who are facing the conversion of their mobilehome park to condominiums.

The bill makes clear that homeowners have a voice in the conversion process and our local elected officials can consider the views of homeowners in determining whether the conversion should go forward.

Please help protect our homes by signing AB 566.

Sincerely,

[John Doe]
